

ADDVAL

UNRIVALED MEDICAL CREDENTIALING EXPERTISE

www.addvalinc.com

Since 1995, AddVal's entire focus is credentialing. We have the experience, knowledge, dedication as well as the industry contacts that ensure your credentialing is complete correctly – the first time! Allow our expertise to handle the tedious application process and time consuming cross checking needed.

CALL NOW 215 396 - 8972

WE ELIMINATE THE HIDDEN SURPRISES THAT COST YOU TIME AND MONEY!

OUR PROFESSIONAL PROCESSES ARE CUSTOMIZED TO YOUR NEEDS

- **ADDING A NEW ASSOCIATE OR ALLIED HEALTH PRACTITIONER.**
- **ADDING LOCATIONS OR EXPANDING INTO OTHER REGIONS OR STATES, STARTING A NEW PRACTICE, BOTH SOLO AND GROUP.**
- **MAINTAINING YOUR CURRENT PRACTICE WITHOUT TYING UP YOUR TIME AND YOUR STAFF CHASING LOOSE ENDS.**

We developed a 'check / double check' system that is rock solid. Our custom built computer applications are designed to monitor your progress every step of the way; you'll receive regular reports as well as timely reminders and alerts.

Each insurer and hospital define their own processes. "one size fits all" solutions do NOT work. If the required process is online it is done by AddVal. If hardcopy is required, AddVal processes that for you as well.

WE FILL THE HOLES AND GAPS SO YOUR PHYSICIANS AND PRACTITIONERS ARE CREDENTIALLED AND CLAIMS ARE PAID!

CREDENTIALING – FINALLY EASY ANSWERS!

OUR WORK IS THOROUGH, ACCURATE AND TIMELY!

AddVal, Inc. Advantages

For the Physician

- AddVal, Inc. maintains your privacy. Your personal information is always kept confidential.
- Avoid payment denials because of missing information. AddVal's custom computer application and extensive contact list eliminates this headache.
- Maintain your medical credentialing information. AddVal, Inc. updates your information so it's always current and secure.

For the Clinical Administrator

- AddVal handles all the quarterly CAQH reattestations for you.
- AddVal handles all the verifications for you, they are increasing everyday!
- AddVal does the credentialing correctly from the start; less claims issues means your cash flow will stay positive.

For the Medical Billing Company

- AddVal does the credentialing correctly from the start; less claims issues and cash flow will stay positive.
- Hospital and Insurer appointments and reappointments are done efficiently.
- Prevent your claims from being unpaid due to credentialing. AddVal correctly completes credentialing for each physician at each of the practice sites.

ADDVAL

UNRIVALED MEDICAL CREDENTIALING EXPERTISE

Adding a New Associate or Allied Health Practitioner

- We use your list of payers and hospitals to obtain and complete all processing needed.
- We work with your new associate before they start seeing patients!
- We are your partner – we do the leg work for you but keep you informed along the way.
- Our average completion time with Medicare is 49 days.

Starting a New Practice –Solo or Group

- We've done this many, many times.
- Set up your new practice in advance of seeing patients – reduce your cash flow issues as much as possible.
- We work with you to identify payers for your new practice.
- Confidentiality is maintained during the set-up process with the payers.

Summary?

We work with you. With AddVal you receive unmatched credentialing expertise and knowledgeable staff ready to take your call or answer your email. You will never receive an automated attendant; you will speak directly with us every time you call.
